### About LucidHealth

LucidHealth is a physician-owned and led radiology management company. We partner with radiology groups to provide the technology and resources to increase the strategic value of their practices nationwide. Our focus on quality outcomes supported by strong physician engagement provides a unique organizational structure serving as a solid foundation. Our belief is that all patients should have access to the highest quality of subspecialized imaging care, regardless of facility size or location. Our mission is to empower independent radiology groups to deliver world-class, subspecialized care to all patients within the communities they serve. For more information, please visit <http://www.lucidhealth.com>.

LucidHealth (LH) is an equal opportunity employer, providing equal employment opportunities for all qualified applicants and employees without regard to race, color, religion, ethnicity, age, sex, national origin, disability status, genetic information, protected veteran status, marital status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.
