### About Riverside Radiology and Interventional Associates:

RRIA is one of the largest sub-specialized private radiology practices in the country having over 100 diagnostic and interventional radiologists on staff.-We serve a wide range of hospitals throughout Ohio including tertiary care hospitals and regional hospitals and this provides an excellent case mix for our subspecialized radiologists.-The IT workflow of RadAssist allows Radiologists to practice a high percentage of their subspecialty regardless of their location. At any given time throughout the day a radiologist within our practice is working with multiple other radiologists which makes it easy to consult on cases with colleagues and have subspecialty support. RRIA is continually recognized as a national leader in radiology. To learn more visit [www.riversiderad.com](http://www.riversiderad.com)

## **About Genesis Healthcare System**

Genesis HealthCare System is an integrated healthcare delivery system based in Zanesville, Ohio. The system includes a not-for-profit hospital, Genesis Hospital, in Zanesville, an extensive network of more than 300 physicians and multiple outpatient care centers throughout the region.

Genesis is the largest healthcare provider in its six-county region of southeastern Ohio, which includes Muskingum, Morgan, Perry, Coshocton, Noble and Guernsey counties. Genesis provides a higher level of service than what is typically found in a community of its size including open-heart surgery, trauma care, a Level II special care nursery, neurosurgery and comprehensive cancer services. This level of care has established Genesis as a primary referral center for much of the region. To learn more visit <https://www.geneshcs.org/>
