About Riverside Radiology and Interventional Associates:

RRIA is one of the largest sub-specialized private radiology practices in the country having over 100 diagnostic and interventional radiologists on staff. We serve both large and small hospitals throughout Ohio. Our vast IT infrastructure allows the radiologist to be fully supported by additional general and sub-specialized radiologists located in Columbus and at our other locations throughout the state. RRIA is continually recognized as a national leader in radiology. To learn more about our practice, please visit our websites at <http://www.riversiderad.com/>

To apply please email CV to kgallucci@lucidhealth.com
