About LucidSolutions:

LucidSolutions is a physician-owned subspecialized teleradiology practice licensed to serve small and large hospitals in multiple states. Our IT infrastructure enables radiologists from all locations to be fully supported by additional general and subspecialized radiologists throughout the country - both onsite and remote. LucidSolutions operates the practice according to the same core principles of LucidHealth: patient-focused, physician-led and dedicated to providing the highest quality subspecialized care to the communities we serve.
